Passover is truly one of our people's greatest holidays. The Haggadah is a book rich in spiritual metaphor and historical depth. As one wit put it: "On Passover, Jews don't merely discuss history, Jews eat history." Theologically, the holiday is one of transition. The Haggadah highlights a number of transitions: From slavery to freedom, from darkness to light. Above all, it engages its participants in the on-going quest for redemption. A redemption that is not limited to the Jewish People, but one that is to be enjoyed by all humanity. Happy Passover!

We welcome you to join us after services today for Kiddush. Sponsor a Kiddush lunch to honor a special event or person in your life, celebrate an accomplishment, or for no special reason at all. It's a mitzvah that benefits you and your KM community. Call the KM office to reserve a date.
