

## SHABBAT SHALOM WELCOME

Saturday, May 4, 2019 / 29 Nisan 5779

Shabbat Parashat Aharei Mot

Torah: Leviticus 16:1 (page 679) read by  
Cantor Melanie Fine

Haftorah: 1 Samuel (page 705) chanted by  
Pearl Levi

Greeters: Kim and Larry Israel

Let the pageantry begin! With great detail, this week's Torah reading describes the procedures the *Kohanim* followed during the Yom Kippur service. One of the more unusual rites involved incense. As the Talmud describes, incense was used for atonement. A sacred mixture of herbs and fragrances, once collected, was sprinkled on the holy altar. Scientists in Israel have attempted to follow the formula described in the Torah with great success. In an article published by the "Jerusalem Report", the compound brought the scientists into what was described as an "out-of-body" experience.

We welcome you to join us after services today for Kiddush sponsored by Levi family in honor of the Bat Mitzvah celebration of their daughter, Pearl. Mazel Tov to Pearl and the Levi family.
