## **PARASHAT VAYERA**

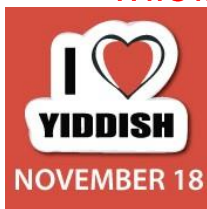

This morning's Torah portion begins with a theological statement: "The Lord appeared." The thought that God is immediate and that God cares is a constant throughout the Torah. The God of Israel works in history and this morning's Torah portion begins by underscoring that point.

Join us for Kiddush after services. Sponsor a Kiddush to remember a loved one and share your memories, or celebrate simchas with love, joy, and food! Please contact the KM office for more information and/or date availability.
