# MEET OUR BAR MITZVAH

## STEVIE LENKIN - JANUARY 2

Hello, my name is Stevie Lenkin and I will be KM's first Bar Mitzvah of 2021. Happy New Year!

I attend John Adams Middle School and will graduate from seventh grade this year. My favorite subjects at school are mathematics and PE. I also play the saxophone. In my

free time, I enjoy playing all kinds of sports like football, basketball and baseball. If I don't play a sport, I watch sports, play sport video games, or talk sports with my family and friends. I even joined the "Sports Talk" club at my school. This year has been different because all my team sports have been canceled since March. My family and I started to surf and play golf a lot because it allows us to stay active and socially distant. I am sad that my family and friends will not be able to join us in person. I am looking forward to showing all my family and friends what I have been learning for the past 4 years at KM Religious School.

## MICAH JUSSIM - JANUARY 30

My name is Micah Jussim. My Bar Mitzvah is on January 30, 2021. My whole life I have always been fascinated with science. I have learned lots of facts about astronomy, physics and quantum mechanics, and I continue to learn as much as I can about them. When I grow up, I definitely want to be a scientist in one of these subjects in science. Before quarantine I was working on taking swimming classes to get into a swim team and I began to take karate lessons. Before quarantine I also enjoyed going places during the weekend like museums or hikes just to get outside. I am also a Boy Scout. One of my favorite parts about being a Boy Scout is all the camping trips and fun activities. In my school I play a trumpet in the advanced band and my favorite subject in school is science. I also enjoy building things. I like building 3D models of things that end up being too big for my house. I would like to thank the Rabbi, the Cantor, and the Hebrew school teachers for helping me get to my Bar Mitzvah.
